FINE ARTS NEWSLETTER

A Monthly Newsletter by CCPS PAC.

DR. PRINCE T. BOWIE

Artists,

A cathedral doesn't just happen. It's planned! It takes work and execution! Every day, there's a goal to be accomplished. During this first month of school, I have had the pleasure to visit schools on all levels (Elementary, Middle, and High) and I stand in amazement at the great work I see. As I reflect on my days in the classroom, I want to remind you that we are in a marathon and not a sprint. Continue to do the great work every day that you are doing to build and brand your programs. If I have not been to your school yet...don't worry, I'm coming! We love to see the great work you are doing with our scholars. My team and I are here to support you, and make sure you have what you need to be successful. Please don't hesitate to contact us if you have any questions or concerns.

Keep Building!

PERFORMANCE HIGHLIGHT

The Stilwell SOA Jazz Band performed for the 2023 Superintendents Inaugural Reception. Across the room many feet were tapping and fingers snapping as the Jazz Band performed classic hits under the direction of Band Teacher Derrick Jackson. They were a crowd favorite of the night.

VISUAL ARTS CLASS HIGHLIGHT

Fantastic Friday at Lake City Elementary School! Today was Extracurricular Day and 1st graders enjoyed playing Jeopardy using art vocabulary, art history and art techniques. The students collaborated in teams to find the best answer. Ms. Chung has obviously been working extremely hard, because these students knew all the answers!

EXHIBITS

The Visual Arts Faculty of CCPS will have their own professional artwork on display at the Performing Arts Center Gallery throughout the month of September. Feel free to visit and check out the wonderful artwork on display by our teaching artists.

MARCHING BAND EVENT

Clayton County Public Schools (CCPS) will host its annual Marching Band Exhibition on Tuesday, October 24, 2023, at Tara Stadium! The event will begin at 6:00 p.m., featuring performances from nine CCPS high schools with HBCU-style Marching Band Programs and the Valdosta High School Marching Band as a guest band. The Exhibition provides an atmosphere for Clayton County and the Music Education Community to enjoy and celebrate the collective talents of our students as they have worked so hard to achieve mastery in their musical and visual presentations. In addition, the district will also host the Tennessee State University Aristocrat of Bands as the event's special guest Collegiate Band. As part of the event, each band will receive constructive feedback from a 6-person adjudication panel consisting of four highly respected middle and high school directors, a percussion expert, and an auxiliary expert. Admission is \$5 for students and \$10 for adults. For tickets, please visit (<https://rb.gy/7m2rw>)
