Welcome to the 2023-2024 school year at Martha E. Stillwell School of the Arts where the vision is to establish a learning community where all students achieve high academic standards, maintain good citizenship, and excel in their artistic environment.

My name is Sherronda Varnado, your Parent Liaison at Martha E. Stilwell High School of the Art. My role as your Title 1 Parent Liaison is to provide the support that may bridge any gaps between the parent, teacher, and the school. I am available during normal school hours (8:30 am -3:00 pm) to answer any questions and concerns you may have as it pertains to resources that may help you and your scholar.

The Parent Resource Center is located just outside of the main entrance and is filled with informational brochures, books, and learning materials to help students and parents navigate high school and prepare for college. You will also find a lending library with a check-out option for up to 30 days along with other material to assist with learning. You will also find the community board designed to inform parents and students of hiring events and a host of other informative information. Parents, feel free to post any opportunities onto the board that can be shared with all stakeholders.

Please join me on August 9, 2022 in person at 10 am for Meet and Greet or virtually at 5pm. (virtual link listed below). I look forward to learning about the Stilwell community, learning about your concerns and sharing valuable information with you about your Parent Resource Center. If you have any questions, concerns or comments, please feel to contact me by email or telephone at Sherronda.varnado@clayton.k12.ga.us or by phone at 770-472-8238 ext. 175203

Warmest Regards,

Sherronda Varnado
